ASSEMBLYMEMBER, 62ND DISTRICT

Dear Friends:

Paying for college can be difficult, but California has always been a leader in providing eligible students with an affordable college education.

Cal Grant, a need-based financial aid program, has been a big part of making college affordable for many California families.

Qualified students can get up to \$8,322 a year to attend almost any college in California – awards will vary depending on economic need, grades and the college you attend.

Last year over 60,000 students were awarded Cal Grants. To qualify, students must have a 2.0 GPA or higher and submit two application forms no later than March 2nd.

There are some financial requirements which are easily met by most typical California families. For example, a family of four with a household income as high as \$69,600 would still be eligible.

Applications can be mailed or submitted online. Check with a high school counselor, college financial aid advisor, or simply download the application at www.fafsa.ed.gov.

Remember, you can't get the money unless you fill out the application and meet the March 2nd deadline. So don't delay. Attend the **FREE Cash for College Days Cal Grant Workshops** on Friday, January 20, Thursday, January 26, and Thursday, February 2, 2006.
